

*Beloved, if God so loved us, we also ought to love one another....If we love one another, God abides in us and His love is perfected in us.*

I John 4:11-12.

*BeLOVED Sisters*

is a woman-to-woman ministry of caring and sharing with another sister in Christ so that the love of God may be *perfected in us.*

## 5 Characteristics of a meaningful BeLOVED Sister relationship:

### BeEncouraging of one another

Send an encouraging text or card or do a thoughtful deed; speak words of life over one another.

### BeLearning from one another

Share life experiences so you can learn from one another in areas practical and spiritual.

### BePraying for one another

Get to know her needs and her family's needs so that you may pray specifically and regularly for them.

### BeCommitted to one another

Make time to have focused dates together like.... lunch/coffee, shopping, cooking, Bible study, exercise, other Radiant events, etc...). Be *intentional* about nurturing this relationship for at least 1 year - you are already Sisters for eternity!

### BeLove one another

Be a friend - get to know her likes and dislikes, strengths and weaknesses, struggles and triumphs and, love her through it all.
